<p>The Victoria Department of Education has a clear administrative process for transitioning from primary to secondary school</p> <p>All Department of Education primary schools provide their students with a Year 6-7 transition form in mid-April. The primary school manages the process and communication with families until offers are made in August.</p> <p>Year 7 applications from families in non-government primary schools follow a different process. If your child is at an independent or Catholic primary school, contact us on (03) 4243 5000 to obtain transition and enrolment forms.</p>	<p>We accept applications from students who have already commenced Year 7 or are in Years 8-12. However, we apply Department of Education guidelines regarding commencement dates for secondary students.
