### Help for non-English speakers

If you need help to understand this policy, please contact the MFG General Office on (03) 4243 0500

### PURPOSE

To explain to parents/carers:

- how Matthew Flinders Girls Secondary College will collect, use, and disclose photographs, video, and recordings of students
- when parent/carer consent is required before photographing, filming and recording students.
- how parent/carer consent can be provided and how it can be withdrawn.

### SCOPE

This policy applies to the general collection, use and disclosure of photographs, video, and recordings (images) of students. It does not cover use and disclosure of photographs, video and recordings of adults.

### POLICY

There are many occasions during the school year where Matthe Flinders Girls staff photograph, film or record students participating in school activities or events, for example classroom activities, sports events, concerts, excursions, camps etc

We do this for many reasons including to e.g., to celebrate student participation and achievement, showcase particular learning programs, document a student's learning journey/camps/excursions/sports events, communicate with our parents/carers and school community on classroom blogs/apps/insert etc

There may also be occasions where we take images to support student behaviour management or to fulfil legal obligations. Further detail is provided within this policy.

In addition to the above, there may be situations where a third party requests to take, use or disclose images of students.

This policy outlines the practices that Matthew Flinders Girls has in place for the collection, use and disclosure of images of students to ensure compliance with the Privacy and Data Protection Act 2014 (Vic). It also explains the circumstances in which we will seek parent/carer consent and how consent can be provided and withdrawn.

## **CONSENT**

The Photographing, Filming and Recording Students Consent Form is provided by Matthew Flinders Girls at enrolment. This form applies to standard uses of images for the time your child attends the school. Standard uses are defined in the following sections.

For non-standard uses, where consent is required, parents/carers will be sent a consent form for that specific situation. Schools will also notify parents when implementing software that may include photos of students, giving parents an opportunity to discuss any concerns or preferences.

If at any time parents/carers wish to withdraw their consent, they can by contacting administration on (03) 4243 0500 or info@mfgsc.vic.edu.au. If consent is withdrawn verbally, the school will make a written record of this. However:

- if the images have already been published and are in the public domain, it may not be possible to remove them
- the school can still collect, use and disclose images in circumstances where consent is not required (see below for more information).

### **Media**

The media, or the Department of Education's media team, may seek to photograph, film or record students for a news story or school event. This may include broadcast media, online or social media or print media, including newspapers and magazine publications.

When Matthew Flinders Girls receives such requests, our school will:

- provide parents/carers with information about the organisation involved and when and for what purposes the photography, filming or recording will occur
- seek prior, express parent/carer consent in writing.

Students will only be photographed, filmed or recorded by the media at school if express consent is provided for that specific media event. Neither the school nor the department own or control any photographs, video or recordings of students taken by the media.

On occasion, the school may agree to research projects being conducted at the school. If this occurs, parent/carer consent will be sought for student participation, including any photography or recording of students.

### **Closed Circuit Television (CCTV)**

Parent or carer consent is not required for a school to install CCTV. However, Matthew Flinders Girls will inform the school community of the intention to install a CCTV through appropriate channels such as a parent update article; a statement on Compass. Installation of CCTV will be done in accordance with the department's [CCTV Installation and Management Policy](#).

#### **Other external collection, use or disclosure**

Official school photographs may be:

- purchased by parents/carers
- used for school identification cards and student identity verification letters
- stored on CASES21 for educational and administrative purposes.

Matthew Flinders Girls will notify parents/carers in advance of the official school photographs being taken to give them an opportunity to decide whether their child will be included in the photographs.

There is no obligation on any parent or carer to purchase any photographs taken. However, the school will need to discuss with these parents/carers alternative arrangements for identifying students in emergencies and for other essential purposes.

#### **Images to manage student behaviour or fulfil our school's legal obligations, including child safety**

On occasion, it may be necessary for school staff to photograph, film or record students and/or use images to:

However, when Matthew Flinders Girls photographs, films or records a student for any of these purposes, staff will only collect and use such images in a way that is necessary, reasonable and appropriate in the circumstances.

### **Child Safe Standards**
